

This year's Summerfest theme
is "Gilligan's Island"!

"Just sit right back and you'll hear a tale
A tale of a fateful trip
That started from this tropic port
Aboard this tiny ship
The mate was a mighty sailing man
The skipper brave and sure
Five passengers set sail that day
For a three hour tour, a three hour tour
The weather started getting rough
The tiny ship was tossed
If not for the courage of the fearless
crew
The minnow would be lost, the minnow
would be lost
The ship set ground on the shore of this
uncharted desert isle
With Gilligan
The Skipper too
The millionaire and his wife
The movie star
The professor and Mary Ann
Here on Gilligan's Isle"

**Learn the song for surprise
chances to win throughout the
weekend!**
